SKIING

Steamboat is actually a complete mountain range: Mount Werner, Sunshine Peak, Storm Peak, Thunderhead Peak, Pioneer Ridge and Christie Peak. 2,695 acres of permitted terrain offers a diversity of trails for all levels of ability. Gladed areas of Pioneer Ridge, sunshine and Storm Peak are Steamboat's particular claim to fame, with legendary Champagne Powder snow in the trees for the most avid powder hounds. Located in northwest Colorado, 160 miles northwest of Denver.

Winter Park Resort is Colorado's longest continually operated ski resort that features the Seven Territories across 3,081 acres of award winning terrain. From groomers to black diamonds at the Winter Park Territory; world-class glad skiing in the Eagle Wind Territory; panoramic bowl skiing the Parsenn Bowl Territory; jumps and jibs in the Terrain Park Territory; off the beaten path powder stashes of the Vasquez Ridge Territory; steeps and deeps of the Cirque Territory; to the world-famous bumps at Mary Jane Territory, there is something for everyone at Winter Park. Averaging over 320 inches of annual snow, 300 days of sunshine and located just 67 miles northwest of Denver.

FYI

We will ski 4 days at Steamboat and at the end of the ski day on Wednesday we will board a bus to head to Winter Park Resort where we will ski another 2 days. The drive between locations in 2 hours.
